

COVID-19 REGULATIONS

Recent CDC guidelines have reminded us to stay vigilant in stopping the spread of covid-19. The leadership of Black Ski wants to ensure that your personal safety is our highest priority and that those attending our trips and events are safe in outdoor and close indoor environments.

Thus, we are requiring that members attending ski trips and other sponsored BSI events be fully vaccinated by submitting a copy of their vaccination card, showing only your full name and date/dates of you being fully vaccinated or a doctor's statement verifying that you are at risk to be vaccinated.

Please submit a copy of your vaccination card as required by a particular ski trip or other club event.

If you do not wish to comply with this action, please contact your trip director or event planner immediately to discuss what options you have at this time.

For future events, details will be provided by the event leader.

We thank you for your understanding and look forward to having a safe ski season and other events.

Warmest Regards,

Sondra Henderson, President
Black Ski, Inc.

Vera Johnson
Vice President of Advance Planning
Black Ski, Inc.
