

HELLO Black Ski Members!

This upcoming Ski Season we are thrilled to launch our 2018-19 Youth Program and Training. Our Youth Program VP Dion Slater-el and committee have already started their recruitment. We have also scheduled training dates at Liberty Mountain. However, we need your help!

We want to extend our outreach to our “own” children, grands, nieces, nephews and neighbors who are ready to hit the slopes and perhaps even become our ski racers of the future.
